Port Charlotte, FL, June 11, 2008 - Bonded Builders Warranty Group Announces the Spirit of Membership Awards Program:

Bonded Builders Warranty Group (BBWG) introduces an awards program to recognize Home Builder Association members who sponsor their first new member into their association

Bonded Builders Warranty Group is rolling out a program designed to reward Florida Home Builder Association (FHBA) members who sponsor their first ever new member who is approved by their association. The sponsoring member will receive a \$35 gas card and a framed Spirit of Membership certificate from BBWG.

“The intent of this program is to offer support to the HBAs throughout Florida”, said Whit Ward, president of BBWG. He goes on to say, “BBWG recognizes that membership is the life blood of the associations and we want to do what we can to help, just as we have done for the last 19 years. Any member of an association is eligible to receive the gas card and award.”

This award program is the brainchild of Howard Head, Founder of Bonded Builders Warranty Group. Both Head and Ward are former HBA Executive Officers, which give them a special appreciation of the work that is done for the building industry by those HBAs.
